### Q1 2025 Payment Guide

### Cystoscopy Procedure Codes, Physician and Facility Payments, APCs, and RVUs

To ensure appropriate reimbursement, we recommend verifying payer policies prior to treatment, as these policies can vary widely and may impose specific limitations on diagnosis codes, procedure codes, or site-of-service requirements. The coding options listed in this guide include commonly used codes relevant to cystoscopy-based procedures but are not exhaustive. Please refer to your official coding manuals to confirm the correct coding for each case.
